

# DRAIN CLEAR

Concentrated liquid pipe and drain opener

**DRAIN CLEAR is a concentrated liquid pipe and drain opener which breaks up hair paper and organic residues in drains, unblocking them and maintaining optimum flow rate.**

## ADVANTAGES

Will clear hair, soapscum, fats, paper, organic debris and slime in minutes

Contains Potassium Hydroxide

Does not produce heat whilst working

Suitable for use in sinks, baths, showers, toilets and urinals within schools, hotels, businesses, sports arenas, public buildings etc

Can be diluted with water for economy

Powerful performance

Non perfumed

## TYPICAL APPLICATIONS

- Drain Clear is suitable for use in the drains of showers, bathtubs, drains, sinks. Toilets and urinals
- Ideal for use in colleges, schools, hairdressers, hotels, institutions, leisure and sports centres, offices, public authorities, etc

## APPLICATION INSTRUCTIONS

### Slow running drains and weekly maintenance

Mix 125ml of Drain Clear with 500ml warm water. Pour into the drain and allow to stand for 5 minutes. Flush with clean water.

### Blocked Drains

Remove excess water  
Pour 125-250ml Drain Clear into the waste pipe  
Add 250-500ml warm water.  
Allow to work for 10-15 minutes  
When clear flush with clean water

N.B. Never position head over drain opening. Do not mix with other chemicals. If treatment fails to clear drain and the services of a plumber are required ensure that they are informed that Drain Clear has been dosed into the drain.
