

CITROL

Microemulsion cleaner and degreaser

CITROL is a highly concentrated, water dilutable cleaner and degreaser incorporating micro emulsion technology for oil and grease removal. Citrol is incredibly versatile and may be used to clean components, machinery, plant, equipment, floors and other hard surfaces.

ADVANTAGES

Water dilutable degreaser and cleaner for components, surfaces, plant and equipment.

Rapidly removes heavy oils and greases from floors in production areas and warehouses.

Highly concentrated.

Water dilutable formulation reduces solvent use.

Ideally suited for manufacturing, warehousing and workshop use.

Ideal for the cleaning and degreasing of engines and heavy plant and equipment.

Highly economical.

TYPICAL APPLICATIONS

- Ideally suited for the cleaning of plant, machinery and equipment prior to maintenance and repair.
- May be used for the cleaning and degreasing of components during production.
- Assists removal of rubber tyre marks from warehouse and factory floors.
- Excellent multi surface cleaner for hard surfaces, walls and floors.

APPLICATION INSTRUCTIONS

Can be applied by mop and bucket, hand sprayer or pressure washer. For general use dilute at 1:20, for heavy soiling dilute at 1:5 in water. Apply to the surface, allow a short contact time, and agitate stubborn deposits as required. Rinse with clean water.

May be used in dip tanks and ultrasonic tanks for component cleaning at between 1:10 and 1:20 in water.

Dip components allow a short contact time, agitate as required, remove, drain and rinse with water.

CITROL

Microemulsion cleaner and degreaser

TECHNICAL DATA

APPEARANCE	Liquid
COLOUR	Straw
ODOUR	Mild characteristic
SOLUBILITY	Soluble in water
S.G.	1.04
pH-VALUE (10% SOL.)	12.20
PACK SIZES	5 litre, 20 litre, 210 litre
FLAMMABILITY	Non Flammable

PRECAUTIONS

Avoid spilling skin and eye contact.

ACCREDITATIONS & REGISTRATIONS

Coal Industry Assessment No: 7745

Dubai Dry Dock Company

Nuclear Electric

Underground RJB128G

Institute of Naval Medicine - Listed in BR1326

STORAGE PRECAUTIONS

Store at moderate temperatures in dry, well-ventilated area.

HEALTH AND SAFETY

Health and Safety Data sheet available separately.
