DW G1 Glasswash Detergent

C859

A machine glasswash detergent

DW G1 GLASSWASH DETERGENT is designed to clean all types of drinking glasses through spray washing equipment leaving them clean and crystal clear.

Advantages

- Removes residues of alcoholic and non alcoholic drinks from glassware
- Promotes beer head retention
- Highly concentrated
- Non-aggressive to glassware, prevents etching and blooming of glass
- Suitable for use with all commercial glass washers within pubs, clubs, bars, restaurants etc.
- Highly economical

Typical applications

- DW G1 Glasswash Detergent is particularly recommended for the cleaning of all glassware in bars, pubs, clubs, cafeterias, hotels, restaurants and other catering establishments

Application instructions

DW G1 Glasswash Detergent should be dosed into the wash water to give a concentration of 1.5ml - 3.0ml per litre depending upon the water hardness and the degree of soiling.

DW G1 Glasswash Detergent is not intended for washing by hand.
