

HR8 SUPERCLEAN LEMON

Universal cleaner and degreaser, suitable for use on most hard surfaces and floors

HR8 SUPERCLEAN LEMON is a powerful, versatile non-caustic multi surface cleaner and degreaser with fresh pleasant lemon fragrance.

ADVANTAGES

Heavy duty cleaner suitable for use on most wipeable surfaces, floors, walls, tiles and vinyl.

Removes body fat and soap scum from showers, baths and pool areas.

Contains grease-busting emulsifiers for rapid penetration and removal of oil and grease deposits.

Pleasant fresh citrus fragrance masks unpleasant odours and freshens as it cleans.

Versatile degreaser for machinery, plant and equipment.

Non caustic formula minimises damage to soft metals such as aluminium and galvanised surfaces.

TYPICAL APPLICATIONS

- Suitable for use in commercial, institutional and leisure establishments for cleaning floors walls, washrooms and other hard surfaces.

APPLICATION INSTRUCTIONS

Apply via hand sprayer, mop, cloth or sponge. Allow a short contact time, agitate surfaces as required and rinse with water. Dilute 1:50. Can also be applied via hot or cold pressure washer.
