

KR S5

WASHING UP LIQUID CONCENTRATE

A premium concentrated washing up liquid for commercial catering operations.

KR S5 WASHING UP LIQUID CONCENTRATE is a high foaming, high active neutral detergent developed specifically for everyday manual cleaning applications.

ADVANTAGES

Provides a highly-concentrated, quality washing-up liquid that is effective in both hard and soft water areas.

Concentrated detergent blend rapidly cuts through grease and food residues.

High foam formula rinses easily for a streak free finish.

pH neutral.

Concentrated formula gives excellent cost in use.

Fresh lemon fragrance.

1L hand dosing bottle.

2L dispenser dosing bottle.

TYPICAL APPLICATIONS

- Super Concentrated Washing Up Liquid is intended for manual washing up of glassware, crockery and cutlery in all catering and professional kitchen establishments.
- May be used to clean most hard surfaces including work surfaces, cabinets, hoods and door fronts.

APPLICATION INSTRUCTIONS

Dilute 1:1625 (5ml per 8L) of hand hot water for standard sinks or 1:1500 (10ml per 15L) of hand hot water for pot wash sinks.
