

VISCOLUBE

Viscous multi purpose lubricant

VISCOLUBE is clear, colourless and odourless and is designed to provide mess free lubrication of chains, linkages and mechanisms. Viscolube is a tacky lubricant containing specialised lubrication boosters and tackifiers, which prevent fling, enhance cling and prevents drips and run off.

ADVANTAGES

An extremely effective lubricant for use where a clean, clear, low odour lubricant is required

Viscolube contains viscosity modifiers for enhanced cling, preventing drips and fling from fast moving components, provides exceptional performance in wet conditions

Contains refined mineral oils and isobutylene

Provides medium to heavy duty lubrication

Suitable for use in mechanical, assembly, fabrication, maintenance and repair applications

Film remains effective up to 250°C

TYPICAL APPLICATIONS

- Ideal for routine maintenance repair and assembly of components, machinery, plant and equipment
- Suitable for the lubrication of chains, linkages, drives, hinges and fast moving components

APPLICATION INSTRUCTIONS

1. Shake can before use.
2. Remove any dirt or grit residues.
3. Spray liberally onto the mechanism and allow to dry.
4. Do not spray onto hot or incandescent surfaces.

VISCOLUBE

Viscous multi purpose lubricant

TECHNICAL DATA

APPEARANCE	Aerosol
ODOUR	Virtually odourless when dry
SOLUBILITY	Insoluble in water
PROPELLANT	Hydrocarbon
PACK SIZE	9 x 600ml aerosol

PRECAUTIONS

Keep away from heat, sparks and open flame. Avoid spilling, skin and eye contact.

STORAGE PRECAUTIONS

Store at moderate temperatures in a dry well ventilated area. Keep between 0 and 40°C.

HEALTH AND SAFETY

Health and Safety Data sheet available separately.
