

WR1 Tolette Toilet Cleaner

Premium thickened toilet and urinal cleaner and descaler

WR1 TOLETTE TOILET CLEANER is a concentrated, viscous, fast acting toilet cleaner, descaler and deodoriser. Tolette is safe for use on stainless steel, copper, brass and chrome fittings

C520

Advantages

- ▲ Viscous 3 in 1 toilet cleaner, descaler and deodoriser.
- ▲ Inhibited phosphoric and sulphuric acid blend that is effective and safe to use on stainless steel, copper, chrome, brass and all other toilet and washroom metals and alloys.
- ▲ Suitable for use in all toilet and washroom areas.
- ▲ Pleasantly fragranced.

Typical applications

- ▲ Use to clean, brighten and descale, toilets, urinals, sinks and fittings in schools, nursing homes, hospitals, hotels, offices and factories.
- ▲ May also be used to remove scale and soap scum from tiles and grouting around showers and changing rooms.

Application instructions

Apply to surface ensuring complete coverage

Leave for 20 minutes, agitate stubborn deposits and flush away

Apply WR1 Tolette daily to maintain the appearance and finish of all sanitary ware. For persistent scale a second application may be required

Do not mix with bleach or other toilet cleaners
