

WRS3 Washroom Cleaner Concentrate

Concentrated daily washroom cleaner and descaler for use on all washroom surfaces

WRS3 WASHROOM CLEANER CONCENTRATE is a universal daily washroom cleaner and descaler with a fresh fragrance and effective cleaning action for toilets, sinks, baths, showers, floors and fittings.

Advantages

- ▲ Effective cleaning action for toilets, sinks, baths, showers, floors and fittings.
- ▲ Use daily to prevent limescale and the build-up of soap film.
- ▲ Safe for use on stainless steel, copper, chrome and brass fittings.
- ▲ Concentrated formula gives excellent cost in use.
- ▲ 1L provides 100 trigger doses.
- ▲ 1L hand dosing bottle.
- ▲ 2L dispenser dosing bottle.

Typical applications

- ▲ Use to clean washroom toilets, urinals and shower areas. Suitable for use on all porcelain, stainless steel, copper, brass and chrome, sanitary ware and fittings.

Application instructions

Concentrate equipment system:

EQ423TRGYS concentrate trigger dispenser: Add 1 shot (10ml) per 500ml trigger spray to water

EQ423BKTYS concentrate bucket dispenser: 1 shot (20ml) per bucket for general cleaning, 2 shots (40ml) per bucket for heavy soiling

WRS3 One litre concentrate:

Apply ready to use or diluted liquid directly to the surface by trigger spray, cloth or mop.

Allow to penetrate soiling, agitate and rinse with fresh water where required or wipe dry with a clean cloth.

NB. Do not mix with bleach or any other chemicals.
