

MULTISOLVE

Multi purpose versatile hard surface cleaner

MULTISOLVE is a powerful, highly active, hard surface cleaner. Which has been formulated to give maximum cleaning power coupled with economy and versatility in use.

ADVANTAGES

Versatile and suitable for use on most wipeable surfaces, floors and walls.

Non caustic formula is compatible with soft metals and galvanised surfaces.

Highly effective for removing dirt, grease and grime.

Very economical in use.

TYPICAL APPLICATIONS

- Ideally suited for cleaning floors, walls and work surfaces.
- Suitable for use in commercial, institutional and leisure establishments.
- Ideal also for maintenance and production cleaning and degreasing in engineering and manufacturing,.
- Removes dirt, greases, oils, inks, dyes, nicotine, smoke and other dirt and debris.
- Can be used on most hard surfaces and concrete floors, walls, machinery, kitchen surfaces, oven hoods and splash backs, vinyl, thermoplastic, metals etc.
- Can be used in food preparation and storage areas, food processing plants, bakeries, bottling plants, and dairies.
- Suitable for use through pressure washers, floor scrubbers and most types of cleaning equipment.

APPLICATION INSTRUCTIONS

For heavy soiling dilute Multisolve with 1 to 5 parts water.

For medium to light soiling dilute with 1 to 20 and 1 to 50 parts water.

Apply by spray, mop or brush and allow a short contact time.

For heavy soiling some agitation may be necessary.

Rinse with water.

Use via pressure washers at dilutions up to 1:200.

Note: Strongly alkaline solutions may adversely effect aluminium and galvanised surfaces. Ensure therefore that contact with these surfaces is prevented/ minimised.

MULTISOLVE

Multi purpose versatile hard surface cleaner

TECHNICAL DATA

APPEARANCE	Liquid
COLOUR	Amber
ODOUR	Mild
SOLUBILITY	Completely soluble in water
PH-VALUE, CONC. SOLUTION	13.3
COMMODITY CODE	34029090
SHELF LIFE	4 years
PACK SIZES	1000 and (2 x 5) litres

The values are typical of normal production and should not be taken as a specification.

PRECAUTIONS

Avoid spilling and contact with skin and eyes. Wear protective gloves.

STORAGE PRECAUTIONS

Store in tightly sealed, original container between 4° - 40°C in dry, well ventilated area.

HEALTH AND SAFETY

Health and Safety Data sheet available separately.
