

REFRESHING HANDWASH

Refreshing handwash with essential oils and citrus fragrance

NATURALS REFRESHING HANDWASH is a premium quality handwash, which combines a luxurious creamy lather with mild cleansing action and excellent after-feel. Refreshing Handwash contains essential oils to leave the hands clean and refreshed. Refreshing Handwash is available in two formats, as a liquid for traditional dispensers or for added economy as a foam for use through foaming dispensers.

Advantages

- ▲ Premium quality handwash for frequent use.
- ▲ Refreshing essential oils.
- ▲ Available in two formats: as a liquid via traditional dispensers or for added economy as a foam through a foaming dispenser.
- ▲ A tried and cosmetically approved formula with added emollients to keep hands feeling supple.
- ▲ Ideal for use as a handwash in any washroom.
- ▲ Highly economical in use.
- ▲ Refreshing citrus fragrance

Typical applications

- ▲ Mild handwash ideal for washrooms in hotels, restaurants, offices, leisure, sports clubs and for use in passenger vehicles.

Application instructions

Use as supplied to wash hands. Work into the hands. Rinse and dry.
