

TEXTRA

Heavy-duty beaded lime hand cleaning cream

TEXTRA is a non-solvent, hand cleansing cream with a pleasant citrus aroma. The formulation combines with the mild abrasive action of the natural beads to effectively and gently remove grease, oil and heavy grime from the hands.

ADVANTAGES

Textra is free of paraffinic solvents.

Kind to the hands.

Contains skin conditioners and moisturisers to keep hands supple even when used frequently.

Reformulated to contain only biodegradable, natural microbeads that help to gently lift dirt and grime.

Heavy duty hand cleaner.

Fresh lime fragrance.

TYPICAL APPLICATIONS

- Suitable for use in a wide range of industrial environments, like: engineering, workshops, garages, factories, printing, maintenance and horticultural industry.

APPLICATION INSTRUCTIONS

Apply on wet hands and rub thoroughly into skin, paying particular attention to areas between the fingers and around the nails.

Rinse off with clean water.

Suitable for use through Arrow EQ432 dispenser.
