

NEW PRODUCTS FOR COMMERCIAL HYGIENE

Now available

**KR10**

HAND SANITISER FOAM

ALCOHOL-FREE FORMULA

We are proud to launch a brand new product into our KR Professional Kitchen Range. The new KR10 Hand Sanitiser Foam is a fast-acting, alcohol-free hand sanitiser which has been designed for frequent use and without the need to rinse.

In accordance with EN1276, KR10 kills 99.999% of bacteria without drying, damaging or irritating the skin. KR10's alcohol-free formula means it is safe for use by children and suitable for use across all religious beliefs.

The Kitchen Range of cleaning and maintenance products has been designed specifically for the modern-day commercial kitchen. New pump dispenser is now available.

- **Alcohol-free**
- **pH neutral**
- **No-rinse formula**
- **Will not damage or irritate skin**
- **Provides residual protection against bacteria**
- **Conforms to EN1276, EN13704, EN14476 & EN1500**
