

SHS Low Foam

Versatile, multi-purpose cleaner concentrate

SHS LOW FOAM is an extremely versatile concentrated cleaner designed to remove dirt and grime from the interior surfaces of vehicles including cars, commercial vehicles, buses and trains. SHS may also be used to clean interior plastics and ideal for cleaning vinyl and linoleum flooring.

Advantages

- ▲ Will not stain or yellow safety floors.
- ▲ Light citrus fragrance.
- ▲ Versatile cleaner with excellent dilution rates.
- ▲ NTA free.

C437

Typical applications

- ▲ For use on hard floors including safety floors, vinyl and linoleum.
- ▲ For use on carpets, vehicle interiors and vehicle seat fabrics.
- ▲ SHS Low Foam is suitable for use with floor scrubbers and carpet extraction machines.

Application instructions

Typical dilution rates are 1:30 for floors and 1:40-1:50 for light duty cleaning. For heavy deposits a dilution rate of 1:10 is recommended.
