

# ARROWIPE 70 IPA

All purpose, alcohol based, hard surface cleaning and degreasing wipes

Arrowipe 70 IPA Wipes are excellent at removing dirt, dust, greases, and light organic contaminants from a wide variety of hard surfaces including machinery, utensils and electronic equipment.

## ADVANTAGES

Controlled delivery

No premixing/waste

Avoids cross contamination

Non-tainting

NSF approved

Non-smearing, residue free wipes

## TYPICAL APPLICATIONS

- General purpose cleaning of computers, office and lab equipment
- Removes handling soils, dirt and oxides from PCB's, mechanical & electrical assemblies and other electronic equipment
- Removal of many but not all inks and permanent markers
- Cleaning hard surfaces, machinery, utensils and equipment

## APPLICATION INSTRUCTIONS

1. Remove lid.
2. Feed first wipe through the hole in the lid.
3. Replace lid.
4. Pull wipe at an angle and tear off at perforations
5. Remove excess contamination from the surface.
6. Wipe the surface clean using Arrowipe 70 IPA Wipes.
7. Leave surface to dry.

**NOTE:** Arrowipe 70 IPA Wipes are formulated for use on a wide range of plastics and other sensitive hard surfaces. However, it is recommended that the product is tested for compatibility prior to use in production.
