ARROWIPE AQUA WIPES

Aqueous, non-ammable, low VOC, low odour and low lint wipes for general cleaning and degreasing and for the removal of wet and semi cured sealants

Arrowipe Aqua wipes are low VOC, low lint, low odour, non-flammable wipes for the removal of oils, greases and general contamination from hard surfaces and tools and also for the removal of wet and semi-cured sealants.

ADVANTAGES

Low VOC

Concentrated formula provides excellent dilution rates and low cost in use

Non-flammable

Measured dosing and reduced risk of cross contamination

Wipes format reduces risk of spillage and reduces hazard to user

Low odour, low linting

NSF approved

Removes wet and semi cured sealants

TYPICAL APPLICATIONS

➤ Wipe degreasing of general surfaces and tools
➤ Removal of wet and semi cured sealants

APPLICATION INSTRUCTIONS

Manual Cleaning: Withdraw one wipe and reseal container.

Fold wipe into four to provide multiple clean surfaces. Wipe over surface to remove oil, sealant, general dirt and grease residues.

Wipe the area, re-folding after each pass to expose uncontaminated cloth. Repeat operations above until 3 consecutive passes show no visible contamination.

NOTE: Allow to dry.
