HOUSEKEEPING CLEANING RANGE

Living and working spaces present many different cleaning challenges: maintaining clean and polished surfaces, streak free windows and mirrors and freshly fragranced rooms. Our Housekeeping Range delivers exceptional cleaning performance, whilst giving outstanding cost in use benefits. For even the trickiest soiling problems, whilst still adhering to the highest safety and environmental standards, it is easy to see why cleaning professionals choose Arrow products to get the job done.

PROFESSIONAL RANGES

DW DISHWASHER RANGE

Arrow Solutions' Dishwasher Detergents and Rinse Aids are specifically designed for hard and soft water areas. The range is completed by our Chlorinated and Aluminium Safe Detergents as well as our Glasswash Detergent and Glass Rinse products.

KR KITCHEN RANGE

The Kitchen Range of cleaning and maintenance products has been designed specifically for the modern day commercial kitchen. Arrow Solutions provides products that clean, degrease and sanitise all aspects of the commercial kitchen. Our kitchen concentrates also offer low cost, measured dosing solutions.

HR HOUSEKEEPING RANGE

Our Housekeeping Range has now been expanded to include our measured dose concentrates that offer the same Arrow Solutions quality but now with the added benefit of real cost reductions to your cleaning requirements.

WR WASHROOM RANGE

The Washroom Range from Arrow Solutions includes products suitable for a range of applications including a low cost, measured dosing Washroom Cleaner Concentrate.

FR FLOOR RANGE

Arrow Solutions' Floor Range is made up of a suite of products formulated for the application or removal of polishes and cleaners from a variety of finishes, including natural stone, tile, vinyl, rubber, linoleum and anti-slip surfaces.

DC DRAIN CARE RANGE

By offering products that break down a variety of fats and other organic material that can cause blockages to drains, Arrow Solutions' Drain Care Range can keep drainage systems free flowing and help to reduce the need for expensive call outs or increased maintenance.

ABOUT ARROW SOLUTIONS

Arrow Solutions is a leading manufacturer of professional industrial and commercial cleaning and maintenance chemical products.

With a worldwide customer base, our high quality aerosols and liquids are solving problems for thousands of companies every day, and our reputation for innovation and manufacturing excellence is recognised through numerous awards, accreditations and OEM approvals.

Our focus on supplying exceptional products and a commitment to outstanding service ensure that we find the right solution for even the most complex challenges.

In response to the challenge of achieving consistently high performance against a background of ever tighter regulation, more professionals trust Arrow to deliver on our promise to set the standard in cleaning and maintenance.
